Breakfast Selections

Whether your event calls for a plated-service breakfast, a breakfast buffet or a lavish brunch buffet, the following menus will assist you in planning the perfect event.

Carved meats, French toast and omelets made-to-order are just a few of the enhancements that can be added to breakfast buffets and brunch buffets. A separate page of such items is attached for your convenience.

As with all special events at The Duke Mansion, we ask that you plan one menu for your entire group.
