Lunch Selections

The Duke Mansion lunch menu offers many choices, all based on a three-course meal service. Lunches begin with a traditional soup or salad. The entrée, however, can vary depending on the atmosphere of your event. For the main course, you might choose an entrée salad, a sandwich or a hot entrée. The dessert choices are designed to round out a perfect meal.

For your convenience, each course is priced separately.

A lunch buffet can also be arranged, if your event would be best served by this style of meal service. The lunch buffet menu is attached for your convenience

As with all special events at The Duke Mansion, we ask that you plan one menu for your entire group
